

## Technical Bid for Accuracy Category-2 Event

### Meet Director:

The Meet Director of an FAI Category-2 (Cat-2) event is selected by Organiser and approved by Aero Club of India (ACI) – the NAC. Any request to change the Meet Director from the original bid must be taken up with ACI for its approval.

### Qualifications and experience:

- i. Should NOT be the Competition Organiser and Event Director, as it is challenging for one individual to perform both the roles. Note: If he is event director also, then he should have a trained and qualified assistant.
- ii. Should NOT be a competitor
- iii. Have successfully conducted National and International Category-2 (Cat-2) competitions
- iv. Have a thorough working knowledge of the CIVL Section 7 Sporting Code
- v. Should have experience as a competition pilot or at least as a pilot.
- vi. Should be capable of conveying clear instructions.
- vii. Ideally be familiar with the competition area to be used\*
- viii. Establish an advisory group which includes the local pilot deemed to be an expert in that area.
