

Technical Bid for Cross Country Category-2 Event

Meet Director:

The Meet Director of an FAI Category-2 (Cat-2) event is selected by Organiser and approved by Aero Club of India (ACI) – the NAC. Any request to change the Meet Director from the original bid must be taken up with ACI for its approval.

Qualifications and experience:

- i. Should NOT be the Competition Organiser and Event Director, as it is challenging for one individual to perform both the roles. **Note: If he is event director also, then he should have a trained and qualified assistant.**
- ii. Should NOT be a competitor
- iii. Have successfully conducted National and International Category-2 (Cat-2) competitions in the past or assisted an experienced Meet director in at least two events of same level.
- iv. Have a thorough working knowledge of the CIVL Section 7 Sporting Code
- v. Should have experience as competition pilot of the same or higher level events.
- vi. Have good communication skills so that the Pilots be able to understand the instructions.
- vii. Ideally be familiar with the competition area to be used*
- viii. Establish an advisory group which includes the Safety Director, Task Committee and any other local pilot deemed to be an expert in that area, who could even be appointed Assistant Meet Director, if necessary, in case required to conduct the event in an unfamiliar location.

Safety Director:

The Safety Director is selected by the Organiser and must be acceptable to the ACI. Any request to change the Safety Director from that stated in the original bid must be sent to and approved by the ACI.

Qualifications and experience:

- i. Should NOT take up any other role during the event
- ii. Must have experience of National and International Cat-2 competitions
- iii. Should have experience as competition pilot.
- ix. Have good communication skills in English and ideally in the local language so that the Pilots be able to understand the instructions.

Scorer:

The scorer should be well conversant with the scoring software, and must have experience as scorer for Cat-2 competitions in past OR assisted an experienced scorer in at least two events of same level.

Note: Profile of all the above mentioned Officials are required to be submitted along with the application.
